**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I wholeheartedly support competition in broadband; most areas have only one truly high speed provider to choose from. And those providers have abusive pricing and customer service policies.

Sonic, a local provider, coming to my neighborhood has finally spooked the one previous ISP option I had to make prices competitive. I want businesses like Sonic to continue to thrive and make large national companies compete.
